A close-up photograph showing a large pile of cut logs. The logs are stacked horizontally, with their ends pointing towards the top of the frame. The bark on the logs is dark brown and textured. The wood itself is a lighter, reddish-brown color. The logs are resting on a dark, wet, and reflective surface, possibly a riverbank or a large puddle. In the background, more logs are visible, though slightly out of focus. The lighting suggests it might be overcast or the scene is shaded.
